Discusses ways that arts and crafts can be integrated into content learning activities. Describes activities in a unit on animals in winter, noting that arts and crafts present an opportunity for children to demonstrate learning in new ways. (JW). Descriptors: Art Activities, Childrens Art, Class Activities, Classroom Techniques, Cognitive Development, Creative Activities, Elementary Education, Experiential Learning, Handicrafts, Integrated Curriculum, Learning Activities. Publication Type: Guides - Classroom - Teacher; Journal Articles. Education Level: N/A. Audience: N/A. Language: English. The full-year, integrated curriculum includes weekly lessons plans for all subjects: Language Arts, Math, Science, Social Studies, Art, Music, and Health. Coursebooks include assignment checklists, planning pages, materials lists, and learning assessment sheets. Parents are responsible for submitting documentation as required by their State Department of Education or their country's Ministry of Education. Tuition includes both print and digital versions of all curriculum materials for a full year of study. Parents submit student work to and communicate with the teacher by email, phone, or video chat. The teacher supports the home teacher and provides written feedback, assessments, and semester- and year-end narrative evaluations.
